

Psychology Field Study
2nd and 3rd Quarter Mid-Quarter Reflection

Name: _____ Quarter: _____

Field Placement: _____ Field Supervisor: _____

Week 1 - What have you learned about yourself, about the community? What do you see in a new way?

Week 2 - How do you link learning to providing service to the community? To your academic goals? Your career plans?

Week 3 - What skills have you learned at your placement?

Week 4 - How is your work different this quarter than it has been in the past? Are you taking more responsibility? Are you able to complete your work differently than in the past? In what ways does being an intern set you apart or open up doors for you?

Week 5 - What decisions have you and your faculty sponsor made regarding your academic project? What will be the focus of the project?

Will you be continuing your field study for academic credit next quarter? _____
