

Psychology Field Study
Mid-Quarter Reflection

Name: _____ Quarter: _____

Field Placement: _____ Field Supervisor: _____

How do you feel about the work you are doing at your field placement? Does it match the "Job Description" section of your contract? What interests you about the work?

How do you feel about the quality of supervision and training you have received? What have you learned that is valuable? What do you still wish to learn?

How have you influenced or benefitted others at the field placement? Please describe one thing you have done of which you are most proud?

How would your colleagues describe you (give three words)?

What decisions have you and your faculty sponsor made regarding your academic project?
What will be the focus of the project?

How do you feel you have (or could) benefit from this field study experience? Is there anything you would change or do differently?

Now that you've experienced your field placement, have you changed any of your goals?
Please review the "Learning Plan" section of your contract.

Will you be continuing your field study for academic credit next quarter? _____ If so you will need to complete a new contract before the end of this quarter.

If you are less than satisfied with any aspect of your field study, please contact me immediately for further support, collaboration and action. Thanks for taking the time to complete this questionnaire!

Please Return by: **Fifth week of the quarter.**
